

# Risk System Score (RSS)

The Risk System Score is provided for organizations that are partnered with us or take part in the program. The DBDCompNet. provides those scores automatically and always up to date for all partners of the Network program. **The RSS information holds only verified information on trust basis.**

According to the DBD Comp Agreements, the RSS score of a team is prohibited from being used to frame or treat teams differently.

## I. Team Report

The Team report has information from other organizations, on how the players were there. It also includes a feedback report of your organization. **We write feedback reports.**

<b>Base-Score DBD Comp Academy 01.01.2025</b>	Based on information we received from partners or supervisors of the DBD Comp Academy PAGCS system, we could evaluate a base score of [ ]. The Base-Score is evaluated by teams complying to our PAGCS Conduct. <b>Report continuous with partner feedback.</b>
<b>FeedBack Report [Partner] [FeedBack Date]</b>	

1+ more

## II. Team Factor Value

The Team Factor Value shows the team score in each category. In III. Final Score you see the average score, which is also displayed publicly.

<b>General</b>	Each factor is evaluated based on the FeedBack given by organizations. FeedBack that we receive, depending on what category it effects, weighs differently. Note: Schedule has the biggest effect.
<b>Team Attendance (40%)</b>	
<b>Regulation<sup>1</sup> Compliance (20%)</b>	
<b>Sportsmanship (20%)</b>	
<b>Team Behavior (20%)</b>	

### III. Final Score

Based on information we received from our partners and participants we were able to evaluate an average score of

**[Score]**

**[Grade]**
