

Partner Program^{Plus}

Active Status

The DBD Comp Academy Partner Program Plus is active since the 1st of July 2025 and defines requirements and the way to become a partner of the DBD Comp Academy and all its services to the date of the partnership.

Definition

A partner of the DBD Comp Academy can be an organization, content creator, competitive team, and/or a community that is based around competitive Dead by Daylight or just hosts events based on competitive Dead by Daylight. A partner is in a business relationship with us and profits from our partner-based services that are only available to them.

Scope

Our partners have the right to access all our intern services. These affected services are our DBDCompNet., Protection Association of General Competitive Security, Core Rulebook, Comp Awards Voting Partner Board, DBD Comp Academy Administration Board and future projects that were created with the DBD Comp Academy Administration Board. Including that we offer e-mail services for smaller fees and finances for bigger fees.

General

A partnership with the DBD Comp Academy Group comes free of charge (see Partner^{Plus} Requirements). We do not make profit and invest all fees back into providing services and financing. Partners get the affiliated status on DBDCompNet and Discord, but they need to apply for verification if they want that as well. Old partnerships until the 30.06.2025 have the verified status.

Partner^{Plus} Requirements

To become a partner for the DBD Comp Academy, you need to have - and be Owner or Co-Owner - one of the following entities.

(independent) Organization

(dependent) Organization

Community

Content Creator (need to be verified on our verification system)

Organization

Following requirements to apply for partnership as Organization^{Plus}:

- Discord or TeamSpeak Server with 500+ members
- Your organization must be older than 6 months
- You must be applicant and Owner at the same time
- You must have organized a minimum of 5 tournaments

Applications under partner@dbdcompacademy.com for organizations. Dependent organizations need to contact us via info@dbdcompacademy.com directly.

Community

Following requirements to apply for partnership as Community^{Plus}:

- Discord or TeamSpeak Server with 50+ members (DBDCompNet will cost fees)
- Discord or TeamSpeak Server with 500+ members (free of charge)
- You must be applicant and Administrator / Owner of the Server with the permission to manage partners
- You must have organized a minimum of 1 tournament
- You must be older than 3 months

Applications under partner@dbdcompacademy.com for communities.

Content Creator

Following requirements to apply for partnership as Content Creator^{Plus}:

- You must have 11.500 followers / subscribers in total
- You must be on one of the following platforms: Youtube, Twitch or X (formerly Twitter)
- You must have an average of 3000 viewers
- You must be verified on our verification system

Applications under partner@dbdcompacademy.com for Content Creators.

VIPs (no Organizations or Content Creators)

Following requirements for VIPs to apply for a partnership as VIP^{Plus}:

- A Community Discord with 150.000+ members
- You are verified by our verification system

Or

- You are from BHVR
- You can verify your position at BHVR (official BHVR email would be enough)
- You are responsible to issue partnerships or cooperations

Special benefits:

- Customizable certificate, customizable (on request) DBDCompNet webpage, customizable badge on DBDCompNet.

The Partner Program Plus is the new system by the DBD Comp Academy to make partner connections with us.

We made becoming our partner easier and more accessible to all parties that create a competitive experience for Dead by Daylight and general communities to create events.

We are based on competitive Dead by Daylight and maintain it as our priority field. We cooperate and partner besides that with all other communities that create events.

With events we talk about a competitive experience - tournaments - that is not defined by us. It does not need to be highly competitive, but must at least be organized based on our Core Rulebook. Tournaments not hosted on our Core Rulebook are not seen as qualifying tournament.

We hold the right to make exceptions and/or invite parties to become partners.

Partnerships with the DBD Comp Academy are set for 1 day minimum and then, with a 30 days notice, can be left / deleted / removed. The partner benefits and perks are active until the partnership has been revoked. You will lose all access to all services provided and all perks and benefits after it ended. You will also be locked from applying again for 90 days.

When leaving and joining again you get back the perks and benefits such as all access to the services. By leaving after that once again, you will be locked permanently.
